

## **My professional experience on acquired on WAAVP 2021**

I am Sónia Maria de Santana Afonso, Mozambican Associate Professor in Veterinary Parasitology at Veterinary Faculty, Eduardo Mondlane University.

First of all, I would like to express my sincere **THANKS to WAAVP African Foundation Scholarship** for making it possible for me to participate in the 28<sup>th</sup> International Conference of the World Association for the Advancement of Veterinary Parasitology (WAAVP) held from 19th to 22nd July 2021 in Dublin. This report summarize the professional experience acquire on WAAVP 2021.

Secondly, I had the great opportunity to participate in the WAAVP conference presenting a poster about our work on the effectiveness of anthelmintic in Mozambique as well as gathering valuable experiences from researchers in veterinary parasitology. It was a motivating lesson learned in addition to future professional contacts.

Thirdly, I had a great learning experience regarding the organization/planning of a virtual conference. The conference was very well planned, all those involved participated correctly and at the right time, congratulations to the WAAVP conference organizing team. The experience gained in organizing/planning this virtual conference I will use not only in seminars but also in classes for undergraduate and post and graduate student. **“MUITO OBRIGADO”**
